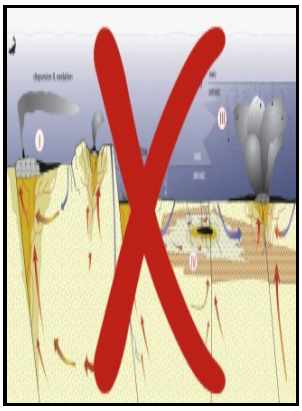
Deformation of the eastern Sudbury basin [thesis]

University of Toronto - List of Amc



Description: -
-
Energy policy -- Mathematical models.
Power resources -- Mathematical models.
Tacoma (Wash.) -- Politics and government
Municipal government by city manager -- Washington (State) -- Tacoma
Tractors -- Tires.
Logging -- Machinery -- Evaluation.
Logging -- British Columbia -- Machinery.
Sudbury Basin - Rock deformationDeformation of the eastern Sudbury basin [thesis]
-Deformation of the eastern Sudbury basin [thesis]

NOAAâ€™s HYSPLIT Atmospheric Transport and Dispersion Modeling System in: Bulletin of the American Meteorological Society Volume 96 Issue 12 (2015)

Miley , , and P.

NOAAâ€™s HYSPLIT Atmospheric Transport and Dispersion Modeling System in: Bulletin of the American Meteorological Society Volume 96 Issue 12 (2015)

Longo , , and S. Rather than having a different version of HYSPLIT to cope with the variations in variables and structure for each meteorological data source, a customized preprocessor is used to convert each meteorological data source into a HYSPLIT-compatible format. These iron compounds precipitated from the sea water in varying proportions with chert, producing banded-iron formations.
