Sharh Aqidatul

Much of STM's early content consisted of reposted material from AST and ISIS including English translations of ISIS releases , as well as information from Tunisian foreign fighters in Syria and ISIS-sympathetic messaging.

Shabab al

His scholarship was recognised and praised by eminent scholars such as Imam Fakhr al-Din Qadi Khan, Zahir al-Din Muhammad b. This illustrates that a completely securitized approach will not eradicate AST, since the group's adherents are true believers who have the patience to wait things out and organize on a much smaller scale.
