As a matter of fact, Sruti or revelation seems only to be admitted pro forma, in order to justify the orthodoxy of the system; for its authority is seldom appealed to, and some of the doctrines which seem most prominently taught in the scriptures, are directly controverted. That is to say A% ka despatched the Bodhi-tree in charge of the monks ° J 169, F. On the principal fa 9 ade looking, by exception, to the West, a kind of portico, 250 yards long, gives access through its central tower to a stone causeway, the prolongation of the bridge which crosses the ditch; and this causeway leads through a large park, between rectangular tanks, to the main entrance of the edifice.

One cannot too strictly follow the logical and scientific process of studying history which has come into vogue not too early. In spite of the historical evidence with regard to the Imperial sway of the Mauryas and the Guptas, it must be admitted that unity and centralisation in the political system of India were in the past rather of the nature of an exception than rule.

Ancient India : a Culture and Civilisation : 7, 13, 17. This dual office used formerly to be held, as a rule, by one and the same man in the village and, with a few exceptions here and there owing to poverty or loss of influence on the part of the Bhumia, it is still so held in the majority of cases.

Publication S

True, the form of the large panels, which are about three times as wide as they are high, compels the sculptors to spread out the cortege of their hero and to cover the wall with plenty of dumb assistants.
