Reward and Punishment

The lasting effects of reinforcement are especially evident in child-rearing. They would phrase a demand as an innocent question.

Choice Motivates Students When Rewards and Punishment Don't Work

Partially reinforced behaviors are far more resistant to extinction. As with reinforcement, there are two kinds of punishers—primary and secondary, and two kinds of punishment—positive and negative. Others again believe in corporeal reward and punishment but not in spiritual reward and punishment.

Reward and Punishment Essay

Prejudiced and superstitious people are born that way.

Reward and Punishment

Watson had left academic psychology, and other were becoming influential, proposing new forms of learning other than.
