Darren McGarvey: 'Class is a fundamental truth we can't ignore'

As for the charges, put forth by some counter-missionary rabbis, that GOD TV is engaging in illegal proselytization, meaning proselytizing minors or offering some kind of compensation for conversion, those charges are patently false. Do we intend to engage in illegal missionary activity? EWTN television is literally everywhere, reaching viewers on a wide range of traditional and emerging technologies. resuming its Israel broadcast. The anti-missionary Orthodox community flexed its muscles to have Shelanu TV cancelled, and, to our complete shock, this call was also mirrored by some Christian ministries.
