A bit dry at times, definitely not a book you would take to the beach, but still a worthy buy for anyone looking to gain knowledge about the War, or for history buffs needing a good reference book.

## History from Kukuchai Books

An excellent reference and starting point.

## The World At Arms, Reader's Digest, World War II, History, collectors

Actions of the Axis, the Allies, and the Neutrals are covered in every theater of the war. The story of Native Americans is part of The Nature Company Discoveries Library, a dynamic new reference series for children. .

## History from Kukuchai Books

It really took me back to someone's personal feelings, helping me better understand how it was for those who lived during World War II, and

better my own feelings about surviving and living this moment in time more grateful. Having reread portions of it recently, I can say it stands the test of time.
