Posao Srbija: Beograd, Novi Sad, Niš...

The article deals with the criminological characteristics of the offender who committed the tax crime and the victim of such an illegal act.

FINANS DOO

The civil law doctrine and judicial practice have been investigated, which allowed the authors to identify and describe the main problems in the legal regulation of this institution. Here I would like to shine a light into this little-known linguistic ecosystem by focusing on one very small aspect: how international organisations are named in China, and how this differs from Mongolia.
