It is a concise explanation of the ideology of the Soviet Union, their motivations, and how best to deal with them--apparently given as the answer

to the question of why the Soviets were becoming less and less cooperative after World War II.

### **The Great Rapprochement**

Isolationism gave way to a broad acknowledgment of the need for diplomatic representatives of special fitness and ability to execute the nation's responsibilities abroad. Queen Street: George Gardiner, Steam Printer.

### **A Hero of U.S. Diplomacy: Dr. Ralph J. Bunche (1904)**

I do not mean to say that we ought to raise any factious difficulties or anything of that kind, but we should in any and every way show the Dominion Government that when they have a really bona-fide measure to propose, we are in unison with them. Policymakers sought not isolation but a free hand to operate, according to diplomatic historian Walter LaFeber. Note the date the treaty was originally negotiated as well as the remarkable statement in Article I.
