Sadly, I see many of them making the same mistakes. What if I faint in dissection class? Yes, it takes at least 12 months to get through all the questions needed to score well on USMLE® Step 2 CK or COMLEX® Step 2, but I find the students I mentor that start a consistent study plan at the beginning of their 3rd year of medical school and then study daily for a month before the USMLE® Step 2 CK or COMLEX® Step 2, achieve the highest scores. The authors' first-hand experience of EMQ-based examinations, and awareness of the importance of reliable and accurate revision guides to medical students, ensure EMQs in Clinical Medicine remains an invaluable resource for all medical students undertaking the clinical part of their training, and an ideal companion during finals preparation.
