## John Broadwood

Lucy Broadwood's wax cylinder recordings of Gaelic songs are held by the British Library National Sound Archive. In 1899, following her mother's death, Lucy moved into 84 Carlisle Mansions, Carlisle Place, Westminster, with her niece, Barbara Craster.

## BROADWOOD BY APPOINTMENT: A HISTORY By David Wainwright

Already sensitive to folk song, in the early 1890s Lucy began collecting specimens from different parts of England.

## John Broadwood

Meticulously researched history of Broadwood, makers of very fine British pianos from the C18 to the present day.

## John Broadwood and Sons Ltd Serial Numbers

Although the letters were bundled on a rough subject basis, letters related by writer or subject may be found in different bundles. Although it aimed 'to save something primitive and genuine from extinction', the Society was initially, in Ralph Vaughan Williams' words, of the 'dilettante and tea party order'.

## Broadwood & Son Grand Piano

If any more proof is needed that Broadwood makes a fine piano, consider that the firm has been in business since 1728 and their instruments have been used by Haydn, Beethoven, and Chopin. This wish does not appear to have been fulfilled. Cottage Grands Started to make Cottage Grands

in 1862.
