## Some Friends of Walt Whitman

He justified his practice of putting a wire cage over the penis or sewing a suture stitch directly onto the prepuce, to prevent further insanity caused by masturbation, but it was more likely that it was a method of birth control within the London Asylum. In January 1876, Bucke became Superintendent of the Asylum for the Insane in Hamilton; in 1877 he was appointed head of the provincial Asylum for the Insane in London, Ontario, a post he held for nearly the remainder of his life. Bucke to Walt Whitman and His Friends, Artem Lozynsky editor , 1977, Wayne State University Press,.

## The Illumination of Dr. Bucke: A Journey Beyond the Intellect by Susan Maynard

Bucke always had friends among the literati and lovers of literature especially poetry.

Notes: Includes bibliographical references and index.

This edition was published in 1977

Each soul will feel and know itself to be immortal, will feel and know that the entire universe with all its good and with all its beauty is for it and belongs to it forever. Bucke estimated that the community should consist of 90% working and 10% non-productive patients.

### Literary Collections

Thousands date from the reading of them a new inspiration and an extraordinary access of vitality carrying their activities and energies into new channels. Although Whitman was no bibliophile, he gladly supplied Bucke with manuscripts and printed materials, realizing that a comprehensive collection of his work was taking shape. This might be a clue as to the right line of question to pursue.

### Richard Maurice Bucke, medical mystic : letters of Dr. Bucke to Walt Whitman and his friends / selec...

The same trouble may be observed in Symonds's dealing through correspondence with Whitman himself and consequently in his book about Whitman. From time to time he mused about becoming a writer he had written some verse as a student but came to realize that his role was to appreciate rather than to create. At last light broke and there was revealed to him as far perhaps as such things can be revealed at least some of the meanings.

### bucke

The human soul will be revolutionized. Old things will be done away and all will become new. For weary eons this condition has lasted—the sense of sin still haunts his pathway—by the sweat of his brow he still eats bread—he is still ashamed.
