Here Comes Noddy Again (Noddy classic library) by Enid Blyton

See how powerful the Enid Blyton books are? This book from the ever famous Enid Blyton is about a little wooden boy who lives and serves as a taxi driver in Toyland. With another Enid Blyton book that I have--my mom didn't know about the racist content--I am happy to have documentation. Big-Ears waved the cake knife in the air and began a happy song.

Here Comes Noddy Again

Another way of looking at it of course could be that, as Golliwogs were experiencing a temporary scarcity, the youngsters might not have been able to relate to them. For those who don't know they are popular blackface dolls throughout the latter half of the nineteenth century. This collection of small eight stories is compiled in 60 pages with the name, Here Comes Noddy Again! Soon enough the Golliwogs enter the stage.

Here Comes Noddy Again by Enid Blyton

Luckily, the great big pachyderm falls asleep so Noddy is able to avoid the woods and drive instead to where the ark is moored.

Here comes Noddy again! (1951 edition)

Noddy's taxi business is booming. I did not like the story. The reason for the purchase is to study racism in Children's literature.
