

Evidently, it was a big mystery around the time that this book was written. Letter from Linda Moulton Howe to The Writers on February 28, 1997.

Glimpses of Other Realities: Facts and Eyewitnesses (Volume I): Howe, Linda Moulton: 9780962057052: localize-img.justmote.me: Books

They discuss who is to get what, who is to do what, and so on ... 1891, major restoration is begun on the church ... This does not sound too strange, since there is obviously some source of money — Sauniere bargained for enough to make his church the way he wanted. But exactly what the precise process was, I was not yet quite sure.

Glimpses of Other Realities: High Strangeness by Linda Moulton Howe

And that has proven to be stunningly correct as the reader will see when we present material from the more recent sessions in this series. In addition to being a member of the Axiom Visiting Faculty, she has a lot of other interesting connections, as we later discovered. But, forty is THE EASIEST NUMBER TO INDICATE, SINCE IT IS EXPRESSED WITH THE HAND OPEN.

Cassiopea » Articles » The Wave Chapter 54: Glimpses of Other Realities

There was hyperdimensional manipulation going on here, for sure. So, question about this now is: why? This point needs some consideration.
