The culture area of Middle America follows roughly the outlines of the city-states and empires Mesoamericans constructed and maintained for

millennia before the arrival of conquering Europeans. In the hacienda system, the Amerindian people lost ownership of the land to the European colonial masters.

5.1 Introducing the Realm

The desert and the Sahel form geographical barriers to sub-Saharan West Africa that, like of the Atlantic Ocean, contributed to the comparative isolation of the region from early Mid-east and European civilization until the 15th century. It might have been the first one in the region, according to Newman, but if so others soon followed and several of these became the foci for a series of kingdoms and empires in the Sahel and Sudan.
