## A handbook of diction for singers : Italian, German, French

Visit our to see our full book and audio book list which includes exercises, music theory, vocalises, sheet music, audition repertoire, and tuition books for singers of all standards and styles. When the listener hears a song, the words and music create an image, feeling or emotion to which they can relate. Provided by Dialect Coach Joel Goldes.

## A handbook of diction for singers : Italian, German, French

Instrumentals and classical music have their own 'spark' that ignites the listeners imagination, however, in most forms of contemporary music, pop, rock, blues, jazz, soul, rap etc. The book combines traditional approaches proven successful in the teaching of diction with important new material not readily available elsewhere, presenting the sounds of each language in logical order, along with essential information on matters such as diacritical marks, syllabification, word stress, and effective use of the variety of foreign-language dictionaries.
