## Peter Jorgenson: Pioneer”

While our work is not over with regards to the upcoming 2018 budget to be passed in the fall, the Omnibus Spending Bill represents an endorsement of the important work that the humanities do for our communities.

## The Railroad and Settlement in Early North Dakota

Whigs drew from an odd coalition of wealthy merchants, middle- and upper-class farmers, planters in the Upland South, and settlers in the Great Lakes. The Mandan's have vivid recollections of the coming of the Hidatsa many years later and established fixed villages on the Heart River.

## History — MHA Nation

A group under Indian Agent Benjamin O'Fallon and General Henry Atkinson traveled up the Missouri to the Yellowstone with nine keelboats and a large military escort, making treaties with the Teton, Yankton, and Yanktonai Dakota, Cheyenne, Mandan, Hidatsa, and Arikara. Cleveland had just taken office for the second time when a financial panic hit the country. The Cherokee are the largest tribe in the United States, and their ancestral territory spanned over eight southeastern states.

## The Homestead Act of 1862

All of the plains tribes came to barter for agricultural good and products. The railroad paid the moving costs for residents and shop-owners to move to the new city, called North Yakima.

## Modern Environmental History of Virginia

They were taught to perform the duties required to run a household.
