Complete International Law: Text, Cases, and Materials

British and Foreign State Papers. If referring to an order, include the full date, but do not use parentheses. Yousef on foreign sovereign immunity and Kiobel v.

Law: Cases and by Lori Fisler Damrosch and Sean D. Murphy

Include the year of the decision in parentheses, for decisions published in the earlier reporters. With a strong focus on Australian practice and interpretation, the third edition of International Law: Cases and Materials with Australian Perspectives examines how international law is developed, implemented and interpreted within the international community and considers new and developing approaches within this field.

Cases & Materials on International Law

In addition, some older documents are added to the system on a regular basis. Designed to support students throughout their studies, Harris provides a sound basis for any public international law course through an extensive selection of extracts and background information supplemented by authoritative commentary and expert analysis. Session Number or Year: Indicate the relevant session number or year.

Cases & Materials on International Law

Her primary research interests are in the fields of international environmental law, marine environmental law and polar law and governance. They can also run an for cases. During this time, we have made some of our learning resources freely accessible.
