. In terms of Promotions etc unless you are in with senior directors and directors you may forget about it team leads and internal Director hires are hand picked by virtue of who is buddy buddy with them. Indeed give the impression off that they care about the welfare of their employees when in reality they really do not directors will look after the employees they favor and the rest are constantly harassed weather it be about pipeline quota and how many calls they make a day while the favorites glide through the day.

If you do get a job with Indeed just hope you get a good director who knows how to treat you with some slight bit of decency Hi there! We'd suggest you take a look at all of our Inside Indeed social channels to really look at what it's like to work for us. Make sure you read through the job description beforehand and have examples ready from your previous roles and how that means you'd be great for Indeed.
