## The Women's Movement in the 70s

Women are also depicted in the show as people who are spunky and self-determined who will always get what they want whenever they need them. Illnesses such as diabetes, muscular sclerosis, cancer, AIDS, and chronic pain disorders are another large arena where many self-help groups are available.

## Contemporary Articles

National events were also organized, in conjunction with the Anti-Nazi League, an activist network dedicated to stopping fascist meetings and countering their ideas. It also takes an insight overview at their influence in the lives of the women.

## Contemporary Articles

To say that this teacher-historian-activist has led an interesting life is a considerable understatement.

## 1970

I shortly left that nunnery.

## Contemporary Articles

Melody Maker , its main competitor, followed close behind.

## Black feminism and intersectionality

An Ecofeminist Phenomenology, Albany, NY: State University of New York Press.

## **Contemporary Articles**

The event was later made into the Play for Today film Leeds - United! Students would act both as the doctor and the patient, allowing each student to understand the procedure and create a more gentle, respectful examination.

## **Sisterhood and After: The Women's Liberation Oral History Project : Research and conferences : Centre for Life History and Life Writing Research : University of Sussex**

This anthology captures the range of problems being considered by the new feminists, and the variety of approaches to analysis and action. When some NOW members called for repeal of all abortion laws, other members left the fledgling organization, convinced that this latest action would undermine their struggles against economic and legal discrimination. Such data make deforestation, water pollution, and environmental toxins a feminist issue.
