The Irish border and Brexit

May then declared that she would invoke Article 50 of the Treaty of European Union, the legal instrument to pull a country out of the EU.

Brexit and Northern Ireland: What will happen?

This border is 310 miles 499km long and meanders from Carlingford Lough in the east to Lough Foyle in the west. Others, including the leader of the Scottish Conservatives, have for such regulatory alignment with the EU to apply to the UK as a whole. Her father died of lung cancer a week after her seventh birthday - he had never smoked.

Fines for non

After the 1998 Good Friday Agreement, things moved slowly. Prime Minister Theresa May gives a statement about progress on Brexit talks inside the House of Commons in London, England on February 12, 2019. It has been a breath of fresh air — new life for the local primary school, tills ringing in the shops, a bustling community in the border village.

People turned back at border with Northern Ireland as new rules come into effect

John Sheridan stood ankle deep in the lush grass of his farm tracing the border between Northern Ireland and the Irish Republic with his finger across the skyline.

Northern Ireland still divided by peace walls 20 years after conflict

Rebels who take up arms against the British reject home rule, which would have given Ireland self-government within the United Kingdom. In the North, the regulations specify that people must leave home only for essential reasons, and a 10-mile limit for exercise is recommended but not legally enforceable. No one was injured — just a lone parked van into a white-orange flame.
