Interface between IPR and Competition Law

But digital markets may not fit into such older distinctions, noted the report. The article will begin with the study of the evolution of the MRTP act and will analyze the loopholes in the act that led to the passing of the competition act. The global trend indicates a clear shift from self-regulation to independent regulatory structure in the domain of audit regulation due to the failure of self-regulatory model in regulating the professionals.

Anticompetitive Practices

The Indian Parliament came out with the Competition Act in 2002 to regulate the competition in the market by repealing the Monopolies and Restrictive Trade Practices Act of 1969. The article also covers the importance of Raghvan Committee, powers of the Commission and the penalties that can be put by it. Both IPRs and competition law go hand in hand, it can be inferred.

UNCTAD Group of Experts on Restrictive Business Practices, Journal of World Trade

The MRTP act derives its inspiration from these constitutional provisions.

As per Supreme Court directions, Committee of Experts submits its report on Regulating audit firms and the Networks

The article will also make comparative analysis of merger under the European Union and the Indian competition Act.
