## MARC Record from Talis

Land, financial need, and social prominence could be strong incentives to undertake entrepreneurial activity. The Socialist Revolutionary party, founded at the end of 1901 from the merger of two pre-existing organisations, had a very different approach to the peasantry.

## Иностранные инвестиции и «германское засилье» в экономике России начала XX столетия: причины, борьба и последствия

The abrupt lowering of interest rates paid to depositors in the state's savings banks served as catalysts for the flurries of incorporation in the 1830s, 1850s, and 1890s.

## MARC Record from Talis

The most important single group of non-Russians, as shown in Tables 3.

## Representatives of the sugar industry of the Russian Empire at the World's Fair in Paris in 1900

The feasibility of a quantitative study of corporations based on data from the corporate charters was first demonstrated by a graduate student at LSU, Whitney A. Petersburg proved particularly responsive to foreign trends, the more so because of its relatively large colonies of European businessmen, as discussed in Chapter 3.

## MARC Record from Talis

In the estimate of Hugh Seton Watson: The impact of the first victory of an Asian over a European power in modern times was felt beyond the

theatre of war. Since the liberals had won 37. By 1907 there were SR groups in half of the St Petersburg trade unions and a quarter of those unions were under SR control.

### **Foreign Investments and “The German Domination” in Russian Economy in the beginnings of the XX Century: Reasons, Struggle and Consequences**

There, Austria had emerged from the ruins of the Holy Roman Empire to dominate the Balkans and contiguous Central Europe in the Austro-Hungarian Empire of 1867. Odessa, the leading port of southern Russia, exported raw materials, primarily grain, to Western Europe.
