### Dear White People: Here Are 5 Uncomfortable Truths Black Colleagues Need You To Know

A tumultuous four years in the White House provides answers. Teachers told us that they contemplate every part of themselves—their wardrobe, the words that leave their mouths, their belief in what their students are capable of—in order to be the for the kids in their care. The segments of the board lead to class outlines, biographies on , and.

### Fact check: Trump's policies for Black Americans

Headlines earlier this month caught some Americans by surprise and referenced historic events in the United States that many had never heard of. Later, Carl Brigham, a eugenicist, developed the SAT to do the same thing as a means to measure aptitude. Reparations for slavery and anti-Black policies We know the monetary value that was placed on enslaved Blacks and the productivity of their labor, as well as the amount of the racial wealth gap.

### A Conversation With Black Parents, Teachers and Students

Expand All North Carolina students will almost certainly learn about Rosa Parks and Martin Luther King Jr. One key question after deciding what a reparations package should include is who should qualify. You can pick and choose which things to talk about from the same year.

### Being a Black educator doesn't mean you aren't teaching anti

On the EdWeek Research Center survey, teachers, principals, and district leaders were asked the extent to which nine different factors explained why this is the case. Julius Chambers, photographed in 2000 while chancellor at North Carolina Central University. Help us keep doing that.

### What Black Educators are Saying by Wright Nathan

Angela Searcy is a child development specialist and education consultant. That can reduce teacher turnover at schools in Black communities, where many classrooms are staffed by young, inexperienced teachers who are constantly coming and going, which leads to low student

achievement. Some learned about Juneteenth, the holiday marking the day enslaved Africans living in Texas learned that The Emancipation had ended more than two years prior and that they were free.
