Capital Punishment: A Bibliography with Indexes

The main argument of the paper is that social control arguments for the death penalty fail to provide an adequate justification. . This is the first critical guide to examine all leading contemporary theories of punishment.

Annotated Bibliography on Capital Punishment

How is a civilisation supposed to handle lawbreakers? From a woman who is executed for only giving out the tools of a crime that was committed in her absence to another who is sentenced to the death penalty even though every witness knows that his case is a set-up, the article provides information that is useful in determining the efficiency of the death penalty.

Annotated Bibliography on Capital Punishment in the Criminal Justice System

Rehabilitative models such as that employed by the Canadian penal system allow for the same level of deterrence and avoid the moral and ethical issues that arise from a capital punishment based one. But death penalty, when used only on the extravagant evildoers, is justifiable, as life is thoroughly degraded by his own evil act. Substantive debates regard the inherent moral status of the death penalty, while procedural debates regard how the death penalty is applied in practice, with two types of injustice that can result.

Bibliography

Each of these errors can have significant negative impacts on the death penalty. Even though the United States Supreme Court has signaled that physician participation is not constitutionally required, lawmakers in death penalty states must consider the ethics of physician involvement. The Death of Innocents: An Eyewitness Account of Wrongful Executions.
