University of Strathclyde Archives and Special Collections

Need a hand with some academic work? This will come across in the language that you use so aim for a positive tone and consider what words will convey your motivations to the Admissions tutors.

Information for Mature Students

See the full league table 4.

Mature students

In addition to meeting current students, participants attend course information sessions and find out about student services.

University of Glasgow

Give some detail to make a positive impression.

Information for Mature Students

You will also have the option able personalise your degree through choosing elective modules in the topics that interest you the most.

University of Glasgow

Carefully considering your current situation will help you determine whether or not going to university is feasible, and if so, what type of degree you can study and how.
