Crisis intervention (1996 edition)

Heroic Phase: This phase occurs immediately upon the onset of a disaster and may even begin in anticipation of the event itself. In the current managed-care era of accountability and utilization of best practices, every practitioner will find this handbook indispensable and essential reading.

Crisis intervention; a handbook of immediate person

Crisis intervention a handbook of immediate person to person help 6th ed by kenneth france published 2014 6th edition 338 pp 7 x 10 3 il description in this exceptional new sixth edition the author has retained the practical framework for offering immediate problem solving assistance to persons in crisis. It applies a unifying model of crisis intervention, making it appropriate for front-line crisis workers, clinical psychologists, social workers, psychiatric mental health nurses, counselors, and graduate students who need to know the latest steps and methods for intervening effectively with persons experiencing a full-blown crisis episode. The growth and development of the individual and the community is arrested in the context of mourning, thus stagnation becomes evident.

.

Crisis intervention (1996 edition)

Now expanded and fully updated, Crisis Intervention Handbook: Assessment, Treatment, and Research, Second Edition focuses on crisis intervention services for persons who are victims of natural disasters, school-based and home-based violence, violent crimes, and personal or family crises. Crisis intervention does not attempt to provide the client with solutions, but rather, it assists the process of independent decision-making. Retrieved Feb 14 2021 from 0398077118 Crisis intervention; a handbook of immediate person-to-person help, 5th ed.
