of the by Stuart Hill

Well, I know which camp I fall into! There are no complex plans or tense, but clever diplomatic interactions that allow Thirrin to build her army. Grab a morning coffee and a snack and Starbucks or Einstein Bros. Hill is probably one of the greatest authors of my time, ignoring the sad realization that very few read his books.

The Cry of the Icemark book by Stuart Hill

She was thirteen years old, tall for her age, and could ride her horse as well as the best of her father's soldiers. Stuart's novels have been translated into 18 languages and he is invited to many schools and festivals to talk about his work.

The Cry of The Icemark by Stuart Hill: Summary and reviews

At one point in the story, we get to see these two meet up. Its enemy lies in wait.

The Cry of the Icemark by Stuart Hill

Aided by Oskan, a quarrelsome young warlock, and other unlikely advisors, she sets out to create alliances with both old friends, old enemies—the latter including both the long-persecuted Werewolves, and the bored, dissolute, undead Vampires—and with such creatures from legend as huge snow leopards and forest elementals.

THE CRY OF THE ICEMARK

Nevertheless even after rereading this around 10 years later I still love it. Thirrin enjoys life as a carefree daughter.
