### Ethnicity, Nationality and/or Identity

Students from Mexico, Honduras, Guatemala and El Salvador may apply. Applicants can identify with either or both communities and be an ally. The basic drive to discover who we are and where we come from was at the core of the first season of the PBS series Finding Your Roots with Henry Louis Gates, Jr.

### Minority and Unique Veterans

High school seniors and undergraduate students may apply. They also overcome some of the limitations of the diversity measures we have used in the past. Along with the usual data such as addresses and application deadlines for each institution, there is a listing of the percentage of non-white students and graphs of student distribution by geographical area and ethnic distribution of faculty.

### The Multicultural Student's Guide to Colleges: What Every African American, Asian

In data tables, we often cross-tabulate the race and Hispanic origin categories to display Hispanic as a single category and the non-Hispanic race groups as categories summing up to the total population.

### 25 Great Scholarships for Native American Students

The most recent film, the six-part PBS documentary series, The African Americans: Many Rivers to Cross 2013, earned the 2013 Peabody Award and NAACP Image Award. In 2011, the first year tracked, more than half of the films fell into the lowest level of cast diversity — less than 11%.

### Diversity Recruitment Programs

VA consults with American Indian and Alaska Native tribal governments to develop partnerships that enhance access to services and benefits by Veterans and their families. Inkwell Films is currently in production on Season Two of Finding Your Roots for PBS.

### Minority and Unique Veterans

We have lived in harmony with this land since before first arrived from the Old World. He said a lot of Native Americans have lost their connection to the warrior spirituality, but he is seeing a revitalization of that idea.
