MesaView Senior Assisted Living

Upon acquiring MesaView, the new owners put together detailed renovation and operational upgrade plans that will be completed soon. I absolutely hated going to the office because of the lack of service and being treated like a moron and stranger after being there for so long.

Recently we had to move out to take care of my father-in-law. All concrete, asphalt and gravel with a few palm trees about.

MESA SPIRIT RV RESORT

We did not appreciate being called liars, nor the switch with the reservation. We stayed a day extra at the location that we were at. We told them that our reservation was for a pull through.

My wife asked if you had pull throughs, and was told yes you do. Huge park with a mix of mostly park models and lesser amounts of RV sites. Shopping everywhere, but this is city camping and you have to drive a good number of miles to get away for some peace and quiet.

MesaView Senior Assisted Living

MesaView Senior Assisted Living

I have lived here for four years, year round ,and you don't know who I am? We had no paperwork, security had no paperwork, and when they finally found it, it was for a back in site. The park is right in the middle of a heavily populated, heavy traffic suburban sprawl. We arrived jan 2nd at dusk.

The staff member then had to find another staff member with a key to get into the office and locate our RV site and guide us to it. I have never been treated so poorly at any RV Resort anywhere I have been. MesaView Senior Assisted Living came under new management in 2018.
