The Ordeal Of Change Summary

. From the Author: If anybody asks me what I have accomplished, I will say all I have accomplished is that I have written a few good sentences. We are usually told that revolutions are set in motion to realize radical changes.

The Ordeal of Change Quotes by Eric Hoffer

Although I can't agree with all of his conclusions, Mr. The corruption inherent in absolute power derives from the fact that such power is never free from the tendency to turn man into a thing, and press him back into the matrix of nature from which he has risen. .

The Ordeal of Change by Eric Hoffer

I enjoyed the way he built up to the points he was making, and I loved the way he wove in his own allusions to myth, religion, literature, and historical figures. In his opinion, intellectuals are phony, worthless and dangerous. Plato and Pol Pot would agree.

The Ordeal of Change Quotes by Eric Hoffer

If you are risk-averse there is no reason to jump in and immediately take life-changing risks either. The revolutionary mood and temper are generated by the irritations, difficulties, hungers, and frustrations inherent in the realization of drastic change.

Free Ordeal Essays and Papers

Written in 1961, pertinent in 2016 At age 70, I've finally started reading this great American philosopher.

The Ordeal of Change by Eric Hoffer

He may dream of spectacular action and be lured to play an active role, but in the long run he does not feel at home in the whirl of a busy life. The most improvement this is to become a better, I want to write good essays without having a vocabulary problem.
