The publicrelations representative for Saipem told the youth that he should go to speak to Elf, but while the meeting was going on, three soldiers came to the caravan where the meeting was taking place and took the youth to the nearby military cantonment, where he was detained two days and severely beaten. Eaton, USCG, commanded Chatham Naval Air Station and he piloted one of two HS-1 seaplanes that attempted to bomb and machine gun a surfaced U-boat off the coast of New England after the U-boat had shelled a tug and barges four miles off Cape Cod.

Other ports include Beira, Nacala, and Inhambane, which was reopened in 1980 after a 20-year closure.

## Marine Fisheries in Tanzania

In the river valleys and deltas, the soil is rich and fertile, but southern and central Mozambique have poor and sandy soil, and parts of the interior

are dry.
