Chandragupta Maurya (Guptayug Navalkathavali 5)

His grandson was emperor who is famed for his historic pillars and his role in helping spread outside of ancient India.

Chandragupta Maurya

When Chanakya was born, Jain monks prophesied that Chanakya will one day grow up to help make someone an emperor and will be the power behind the throne. Chandragupta partnered himself to the king of a mountain kingdom, maybe the same Puru who had been vanquished however saved by Alexander, and set out to vanquish the Nanda. Chandragupta was unconscious of this arrangement, and imparted some of his nourishment to his wife Durdhara when she was exceptionally pregnant with their first child.

The Indian History: CHANDRAGUPTA MAURYA

In the second incident, when Chandragupta was readying for war with Alexander's generals, a huge wild elephant approached him and offered itself to be his steed. Chandragupta was born into a family left by the death of his father, chief of the migrant Mauryas, in a border fray. The army of Chandragupta and Chanakya first conquered the Nanda outer territories before invading Pataliputra.

Chandragupta Maurya (Guptayug Navalkathavali 5)

Justin states Chandragupta was of humble origin and includes stories of miraculous legends associated with him, such as a wild elephant appearing and submitting itself as a ride to him before a war.

Biography of Chandragupta Maurya, Indian Emperor

In and accounts, Chandragupta is referred as Sandrokottos or Androcottus. The Buddhist and Hindu sources present different versions of how Chandragupta met. The newborn child Bindusara survived, however a touch of his mom's harmed blood touched his brow, leaving a blue bindu; spot that enlivened his name.
