The Final Declaration of The Geneva Conference: On Restoring Peace in Indochina, July 21, 1954

The French Union, however, was not established for several years, and then it provided for control of the area from

Indochina

The Viet Minh fought against the Japanese occupation, uniting peasant rebels with urban nationalists into a communist-tinged independence movement. But the issue has divided ASEAN, and the United States may have tied itself not to a solid anchor but to an increasingly brittle shell. In 1887, Laos, Cambodia, and Vietnam officially became colonies of France.

With the White House thus weakened, our strategy of Congressional pressure gained leverage. During the next few months, the Black Flags were driven from town after town, and French garrisons were left in each one. But in the end, the United States carried the heaviest burden in defending against that aggression.

Legacy of the Cold War in Indochina

Here is a brief history of those times. But in October 1946, a French cruiser opened fire on the town of Haiphong after a clash between French and Vietnamese soldiers. But the tiger will not pause, and the elephant will die of exhaustion and loss of blood.
