Warning Signs of an Alcohol or Drug Relapse

Many think relapse means the failure of a patient to recover successfully.

Relapse

When we are more self-aware, we are better able to cope with potential triggers to relapse. If a person stops taking drugs and then takes the amount they used before quitting, they can easily overdose. Relapse is not a sign of failed recovery.

The Top 10 Relapse Prevention Skills

They can provide stable foundation and encourage discipline or compassion needed in this time.

What Is Relapse In Addiction: Know The Stages Of Relapse

He has returned to sharing an apartment with his mother, and is looking for work in his field here in North Carolina. Some treatment medications and mobile applications are used to help the brain adapt gradually to the absence of the drug.

Life After Relapse — How to Bounce Back and Start Over

If people stop following their medical treatment plan, they are likely to relapse. Theresa is also a Certified Professional Life Coach and volunteers at a local mental health facility helping individuals who struggle with homelessness and addiction.

What Is Relapse In Addiction: Know The Stages Of Relapse

Change How You View Your Relapse When a significant life event occurs, it is not just the event itself that directly impacts us but how we react to the event in question—oftentimes, the latter makes a world of difference.
