Broken Promises?: The Argentine Crisis and Argentine Democracy: Epstein, Edward, Pion

Who are the key actors? Both groups—the Diaguita people in the northwest, and the Guarani people in the south and east—created the basis for a permanent agricultural civilization.

Argentina Since the 2001 Crisis

Just as the country had begun to recover, this latest debt crisis has broken, and threatens to be even more calamitous than the last. Lanata Briones, London School of Economics UK Rubén M. Trinkunas, Naval Postgraduate School Broken Promises? Written by known scholars and close observers of the Argentine economy, politics, and society, this book should find its way into both undergraduate and graduate classrooms.

[PDF] Revisiting the Argentine Crisis a Decade on: Changes and Continuities

The fact that these debts are held by governments rather than individual people complicates things.

Argentina

The Diaguita also prevented the powerful Inca from expanding their empire from Bolivia into Argentina. Almost all governments have these debts, and use them in much the same way that individuals use their own debts — both to spend on things they want and to shore up economic confidence.
