Principles of Legislation. by Charles Michell, ...: Michell, Charles: Amazon.sg: Books

It contains essays on landmark cases in the development of equitable doctrine running from the seventeenth century to recent times. The discussion takes in claims under the Third Parties Rights against Insurers Act 1930 and claims by the creditors of trustees to be indemnified out of the trust estate. Subrogation is a remedy which can be awarded in many different contexts, and this definitive account will be useful not only to restitution lawyers, but also to academics and practitioners concerned with the law of property, commercial law in particular, the law of insurance, bills of exchange, and principal and surety, and even family law.

Landmark Cases in Equity (Landmark Cases) Charles Mitchell: Hart Publishing

Dominating the legal field is the Commentaries of the Law of England by Sir William Blackstone, which first appeared in 1765. With David Foster he is currently organising a workshop on the history of Equity in England, which will take place at UCL in 2022.

Landmark Cases in Equity (Landmark Cases) Charles Mitchell: Hart Publishing

The time has been long overdue for a neat little book like Dr Mitchell's to unite and co-ordinate subrogation as a whole against the scheme of modern restitution scholarship. *Penn v Lord Baltimore* 1750 Paul Mitchell 5.

It would be as difficult to prove the title of the former, as of the two.

Landmark Cases in Equity (Landmark Cases) Charles Mitchell: Hart Publishing

The lawyer who starts with this work, though, will have the benefit not only of Mitchell's principled and well-structured analysis, but also of his enviably concise style; and the result will be a sound understanding of the issues at hand.
