Why Whittaker Chambers Was Wrong

Even our artists and intellectuals are rediscovering America and rallying to the side of freedom. Denials from Hiss , law-suits involving Hiss and Chambers , and fame initially for Chambers, but more significantly for the first-term California representative Richard Milhous Nixon followed. After the American Revolution a new and distinct branch appears in the United States where, under fresh and different circumstances, Western Man, American-style, proceeds to meet his own problems and solve his own destiny.
