Support and Resources for Adults with LD

Scams requesting donations for disaster relief efforts are especially common on the phone. We would prefer that campers do not bring cell phones with them to camp. The variety that online training offers means that employees can learn according to their style and immediate needs.

Online

Students pool their data, then analyze it using geospatial visualization software while still in the field.

11 Tips to Engage and Inspire Adult Learners

Juniors and seniors attend FREE college tours throughout the year and learn what to consider when selecting a school including size, major and minor programs, clubs, location, and campus life. ESSA authorizes funds for professional development, instructional materials, resources to support educational programs, and for promotion of parental involvement.

Welcome to High Life Highland

Students build character with activities that positively impact their community, including fundraising, volunteering, donating, and creating or coordinating service programs.

Employment Center

We offer competitive salary and benefits, and a friendly and creative atmosphere where you can be part of a team of caring, skilled professionals. Whether just starting to explore the park or near pro, we have the programs to help your child build their skills to the next level.
