**Holdings: ha**

Kotar is an online library and digital work environment, a result of cooperation with the leading publishers in Israel.

**Bibliographies**

Storia Della Tipografia e Del Commercio Librario 2. Perfect for the serious Hebrew student, this multi dictionary is comprised of a wide range of entries, expressions and idioms, which reflect the multi-faceted linguistic inventory of modern Hebrew. Not only will you find additional sources for your paper, but often you will also be able to make a determination whether a particular book or article is important for your topic.

**Holdings: ha**

Hertz: Chief Rabbi of the United Hebrew Congregations of the British Empire, On the Occasion of His Seventieth Birthday, September 25, 1942 5703 , edited by Isidore Epstein, Joseph H. Philadelphia: University of Pennsylvania Press. Faithful to its new moniker, the publication continues to be a platform for issues relating to Hebrew in all its forms, styles and periods.

**Modern Hebrew**

It also includes published articles and essays, manuscripts, typescripts, bibliographies of Holtzman's extensive collection of Israeli literature, and revisions of works by Israeli authors who either live or have lived in Israel. Rav-Milim includes a complete Hebrew Language Laboratory that instantly analyzes each Hebrew word entered, even the most complex of forms, dissecting it into simple elements.

**Modern Hebrew**

Christian Hebraists and the Study of Judaism in Early Modern Europe, 181—200. Yehoshua, Amalia Kahana-Carmon, and Yoram Kaniuk. Kirksville, Mo: Sixteenth Century Journal Publishers.

### **Secondary sources**

This periodical is intended for educated laypeople interested in the Hebrew language. If a source is cited by multiple authors, you should probably include it in your own research as well.
