The commentators pointed out that electronic mail systems are not standardized and some systems do not provide verification of delivery.

Administrative Rules Supplement

The IRS has also applied this meaningless gesture doctrine to circumstances where the transferor corporation and the transferee corporation are wholly owned by a single party directly or indirectly through subsidiaries, or as a result of family attribution pursuant to section 318 a 1. Distinguished describes a situation where a ruling mentions a previously published ruling and points out an essential difference between them.

P.S. Docket No. AO 07

Effect of a Prohibited Allocation These regulations retain the rule of the 2004 regulations that if there is a prohibited allocation during a nonallocation year, the ESOP fails to satisfy the requirements of section 4975 e 7 and ceases to be an ESOP. Notice 2004-19 This notice withdraws Notice 98-5, but announces that the IRS will continue to scrutinize abusive transactions that are designed to generate foreign tax credits and will challenge the claimed tax consequences of such transactions under principles of existing law.
