**Berger, Klaus Peter, The New Law Merchant and the Global Market Place**

To conclude, what is at stake in fragmentation is unity, harmony, cohesion, order, and—concomitantly—the quality of international law as a truly normative order.

**refinement of international law: From fragmentation to regime interaction and politicization**

Third, a violation of the IHL of non-international armed conflicts may often simultaneously be an act criminalized by other rules of customary or treaty-based international law, such as crimes against humanity, genocide, torture or terrorism. They lobby policy-makers let us recall the decision to waive the debt of the most indebted countries at the end of the millennium.

**Berger, Klaus Peter, The New Law Merchant and the Global Market Place**

The goal of the analysis is to place the Sino-Russian relations within an appropriate theoretical context and provide a possible outcome of the current balancing in Central Asia. The peacebuilding process is challenged in East Bosnia due to the lack of desire on the part of the Serbian Orthodox Church to take part and be involved in a joint peacebuilding process with the Islamic Community. Attached to this is the right to autonomy and the specificity of peoples.

**Civil society and public institutions in international multi**

Seyersted referred to, as an example, the Agreement between the United Nations and the Carnegie Foundation Concerning the Use of Premises of the Peace Palace at the Hague General Assembly Resolution 84 1 of 11 December, 1946. Duguit, *Les Transformations du Droit Public*, 1913, p.
