### 2021 Policy Directives

No person or organization shall remove a monument without authorization in the form of a court order from a court of competent jurisdiction, or without the written authorization of the owner of a burial plot, or the lineal descendants of the deceased, if such owner or lineal descendants are known, and without obtaining written approval from a duly incorporated cemetery association, which association shall keep a record of all such written approvals. The court declines to comment except to note, as it has repeatedly, that the father has no evidence that the mother's conduct cut short his time with the children. The mere fact that she was paid a higher salary in another job market does not justify imputing income to her.

### Jailhouse Lawyer's Manual

No cemetery corporation, in purchasing real property hereafter, shall pay or agree to pay more than the fair and reasonable market value thereof. The mother initiated the dispute by failing to communicate and the father aggravated the situation when appearing.

### 2021 Policy Directives

His practice concentrates on complex commercial, class action, insurance coverage, and securities litigation across a broad spectrum of substantive areas, including consumer fraud, environmental, insurance, trade regulation, real estate, professional liability, and contractual disputes.

In connection with such action or proceeding, the attorney general is authorized to take proof, issue subpoenas and administer oaths in the manner provided in the civil practice law and rules.

### Family Court

In contrast, the proof shows that the daughters all enjoyed their activities and the parents, prior to their separation, had encouraged numerous activities.

It carries out this function in a spirit of cooperation with the individuals who directly manage and operate the cemeteries. In passing upon the rules and regulations, the cemetery board shall consider the interests of the members of the corporation and the public interest in the proper maintenance and operation of burial grounds.

### **Pro bono support**

Avdic, there are few facts regarding the extent of the alienating conduct by the culpable parent. Matter of Avdic v Avdic, 125 AD3rd 1534 4th Dept 2015 the court's determination that the mother had engaged in parental alienation behavior raised a strong probability she is unfit to act as a custodial parent.

### **J.F. v D.F. :: 2018 :: New York Other Courts Decisions :: New York Case Law :: New York Law :: US Law :: Justia**

In a widely-quoted study, a California law professor in 2001 commented: PAS as developed and purveyed by Richard Gardner has neither a logical nor a scientific basis. She contends culpability for the deterioration of the relationship between father and daughters, if it exists, can be apportioned to both parents.
