The age of the hyperleader: when political leadership meets social media celebrity

The article investigates how a reality which is saturated with the omnipresence of media is reflected in the practices of humanitarian organizations.

How to improve media literacy in the age of misinformation

Publisher Information Springer is one of the leading international scientific publishing companies, publishing over 1,200 journals and more than 3,000 new books annually, covering a wide range of subjects including biomedicine and the life sciences, clinical medicine, physics, engineering, mathematics, computer sciences, and economics.

Mediatized Humanitarianism: Trust and Legitimacy in the Age of Suspicion — CBS Research Portal

Accounting, Organizations and Society, 30, 279—296.

The age of the hyperleader: when political leadership meets social media celebrity

This is a claim the basis of which has shifted in the course of the 40 years from predominantly moral legitimation, qualified on the basis of performance and structure toward increasingly pragmatic legitimation qualified on the basis of compensation.
