Nominated Trippiest Movie of the Year Won Best Horror Movie of the Year Nominated Best Poster Design Mother! The news elates Him and inspires him to finish his work. By January 2016, was also in talks to star, and by April , , , and were added to the cast.

## 'mother!': What's the Meaning of Jennifer Lawrence's Film?

She asks Him to send them away, but he insists he has to be polite and show his appreciation, and tells her he will return soon. Unlike the mansion it's set in, it's a small, hammered-together thing, and it can't bear all this meaning and metaphor. They turn on her, viciously beating and attempting to strangle her until Him intervenes.

### mother!

Well, after months of secrecy, the movie hit theaters in wide release last weekend, and audiences are finally getting the chance to puzzle over this bizarre, chaotic work of horror. When she falls asleep, however, Him takes their child outside to the crowd, which passes the baby around wildly until his neck is inadvertently snapped.
