Nepal Research: Languages

Truth is, a large percent of Sherpas do work as guides or porters, but a lot are also small business owners. Without taking appropriate precautions before your departure, it might be too late to patch that up after you arrive in the Himalayas.

7 tips for teaching English to beginners

. A spiritual ceremony may be conducted at every building stage as the house must have space for deities, humans and animals. Could we all just do that? What language do Sherpa people speak? Pin for later Trekking in Nepal is probably the most ultimate item on my bucketlist! In the 1960s, as tension with China increased, the influence on the Sherpa people grew.
