Commission on Parental Legal Representation Client Survey

Their empirical impact differs when they represent employers compared with applicants. A notable feature of these data is that representatives advised their clients to settle in a significant proportion of cases 28% even where they considered their client was likely to win. Client stories are presented throughout the report.

Attorney Surveys

These figures must be regarded as at best illustrative, due to the very small sample size in each jurisdiction. According to a conducted by FindLaw. Note, LSC grantees also regularly engage in outreach intake.

Home

Other common categories of civil legal problems include rental housing, children and custody, and education. At times additional tables were used to provide estimates and are noted in endnotes. While this advice may simply coincide with the desired actions of the client, it clearly does constitute a major influence on the actual course chosen by ET disputants.

Justice Gap Report

More than 60 million Americans have family incomes below 125% of the Federal Poverty Level. In criminal cases, legal assistance is a right.
