12 Of The Most Unique and Rare Postage Stamps

110. THE WORLD'S MOST FAMOUS STAMP

They are a set of 24 1st class stamps that are designed to look like a bar of chocolate, packaged as an envelope.

Famous errors that increased the value of stamps

Philately in the Intellectual World Novelist Ayn Rand was among the list of famous people who collect stamps. Known as the Dawson Cover, it is the only known example of a 2c Hawaiian Missionary used on a letter.

110. THE WORLD'S MOST FAMOUS STAMP

Arthur Woo, this prominent philatelist is reputed for his unique about classic birds.

Rare postage stamps

Kanai received numerous awards for being a famous philatelist, like the 1988 National Grand Prix award for his Finland stamp collection. But if the stamp has a B-grill mark — meaning the tiny dents point upward — the value multiplies by the hundreds of thousands. The rare postage stamps, created by Swarovski crystal producers, cost 7.
