The Obama Administration has now revived the convention not because it has proven itself to be an effective or necessary instrument, but in order to send political and diplomatic signals to Mexico and other members of the Organization of American States that the U. In addition, they will leave the United States well short of the resources needed to wage an aggressive strategy that targets foreign producers, suppliers, and traffickers while making serious inroads against consumption and drug use here in the U.

Mexican Drug Cartels' Other Business: Sex Trafficking

These efforts led to the apprehension of major drug traffickers, discovery of clandestine drug laboratories, and removal of corrupt security officials. The disruptions are likely to be short-lived.

U.S. Strategy Against Mexican Drug Cartels: Flawed and Uncertain

Thus, many taken-for-granted gestures, impressions and ways of behaving. e. House of Representatives, March 10, 2009.

Mexican Drug Cartels' Other Business: Sex Trafficking

The claim that demand is the root cause of the drug crisis implies that the federal government is responsible for and prepared to assume new responsibilities for reducing the demand for drugs within the U. A few caveats, however, are in order. Through the Merida Initiative, the U.

DOJ: 'Mexican

Customs and Border Patrol agency show that from February to March, as the United States began to impose strict travel restrictions in the face of the growing Covid-19 outbreak, seizures of drugs and cash dropped substantially, as did the rate of human trafficking.
