## Confederate Magazine 1896 Volume 4

LUIS DE YELASCO THE SECOND BECOMES VICEROY. Truman creates the Central Intelligence Group, the predecessor to today's Central Intelligence Agency. The Viet Cong's TET Offensive will kick off in less than a week.

## Civil War Records

Victims vigorously pursued justice and appealed to all levels of government for help but were blocked at every turn. Albee, 3rd Wisconsin Light Artillery and Company F, 36th Wisconsin Infantry. See his contribution to the 1996 Vietnam Conference, on the Texas Tech University Vietnam Center website.

## France

I am losing good daylight, now that the three months men are being disbanded. In the meantime, Federal forces continue to hold nearby New Berne and other critical points.

## Chapter 29: Wilsonian Progressivism at Home and Abroad

The Psychological aspect of Satanism is a very important and severely underestimated aspect of the occult because it is the power of these myths, the manipulation of belief systems and the ability to propel someone or group of people to perform activities based on these beliefs that give the occultists such power. Then Stalin put rat poison in the drinking water. The men are in the highest spirits, and express the utmost confidence in General Johnston.
