## Welfare State

A portion of this funding will be charged to the EI Operating Account and offset by higher EI premium revenues over time. The government consulted with labour, industry and other stakeholders.

## Federal Government: Canada's Record on Climate Change

This funding will facilitate the safe and timely flow of people, goods and services at the border.

## Canada's National Action Plan on Women, Peace and Security

Everything was put on the table: Senate reform, economic and social union, Aboriginal government, the division of powers, etc. An online survey received 45,000 responses. These include, for example, health care, education and energy services.

## Annex 1

This practice was much frowned upon by governors on the grounds that it interfered with the efficient operation of government.
